

COMPANY OVERVIEW

Founded in 2016 by Cameron Brandis, an Engineer and Electrician with long-term, hands-on experience in the high-voltage sector. Brandis Hire fulfills a simple yet critical purpose in the industry: **Providing equipment to our clients in full and on time so that they can always get the job done!**

Our **mission**: to provide top-quality equipment and support, fostering a community of loyal clients.

Guided by our core values, taking care of our clients, working hard, staying positive, and always learning. We aim to be the first choice for equipment and support, so our clients can focus on getting their jobs done.
